Dear Ladies and Gentlemen,

we are informed that your service is publishing server and client contents of Loong Dragonblood. This MMORPG is a copyrighted online game by DACN and gamgio AG. Therefore we want you to close down this topic (<http://forum.ragezone.com/f669/>) or even the threads containing server/client informations of our game like for example:

<http://forum.ragezone.com/f671/release-server-files-929658/>
<http://forum.ragezone.com/f671/release-real-loong-source-code-975823/>
<http://forum.ragezone.com/f671/release-ca-key-info-756477/>

The original files are belonging to DACN and it's publisher gamigo AG. The original game can be found here: www.loong.gamigo.com/de and www.loong.gamigo.com/en

I act in good faith and explain in good faith: I am a representative of an exclusive right against which was an violation detected. I believe, that the reported content is violates the copy right and the use of the datas wasn't allowed by the owner of the copyright nor the common law. Also I promise that my report is correct and I know, that making false statements can be have legal consequences.

The files which are related to be hosted on your service are concerning to be a game client and the server files of our online game Loong Dragonblood. (www.loong.gamigo.com/en and www.loong.gamigo.com/de).

As a representitive of gamigo I work on rule enforngement of common business laws. Therefore I would like to admit the DMCA Take Down Notice.

Informations concerning our company can be taken out of our signature.

If you need any further information feel free to contact us.

--

Mit freundlichen Grüßen,
Dirk Zeiher
