Dear RaGEZONE,

I work in overseas business team of Mgame which is known for global Online and Mobile game developer and publisher, located in South Korea. if you want to know more about my company, you can visit :

<https://mgamecorp.com/en/game/game.mgame>.

We found the company using your website, to promote the private server for one of our online game title, Ares Online, which is copyrighted by us, and is taking unfair profits, so please remove the url below as soon as possible.

1. Private server url on your website: <https://forum.ragezone.com/threads/ares-inspired-server.1225533/>

Official service url providing by us: https://ares.mgame.com/event/2023/spring_event/

2. We have a good faith belief that use of the material in the manner complained of is not authorized by the copyright owner (us), or our partners, for your better understanding, we would like to attach few files above.

Best regards,

John
