To Whom It May Concern,

It has come to our attention that our copyright in the game titled "Peria Chronicles" (the "**Game**") has been infringed by distributing and reproducing the Game's client software (the "**Infringing Materials**") on forum.ragezone.com.

I represent both NEXON Korea Corporation ("**NEXON**") and Thingsoft Corporation ("**Thingsoft**"), and I hereby provide you with notice of copyright infringement pursuant to the Digital Millennium Copyright Act (DMCA).

The attached file is our DMCA takedown notice that satisfies the requirements for a notification of infringement under 512(c) of the U.S. Copyright Law.

We require that you immediately REMOVE or DISABLE ACCESS to the Infringing Materials upon receiving this email and the attached DMCA takedown notice as required under 512(c) of the U.S. Copyright Law.

Simply notifying your subscribers, who are engaging in the infringing activities on your website, of the information in the attached DMCA takedown notice alone will not satisfy your obligation to immediately remove or disable access to the Infringing Materials under 512(c) of the U.S. Copyright Law.

If we do not receive any response from you within 7 calendar days, we will take further action we deem necessary, including legal proceeding, to enforce our rights.

If you have any questions, please contact legal@nexon.co.kr<mailto:legal@nexon.co.kr>.

Best regards,

Thingsoft Corporation
