www.habbohotel.com <<http://www.habbohotel.com>> is an online graphical chat and gaming environment for teenagers. The site takes the form of a virtual hotel, where each user is represented by an avatar called a Habbo. Habbos can walk, talk and dance in all of the hotel's public and private rooms. Private rooms are created by the Habbos themselves and are furnished by them using Habbo Credits. Users purchase Habbo Credits using all the normal online payment methods, such as credit or debit cards, reverse SMS billing, premium rate phone lines and cheques.

Our copyright ownership is clearly stated on the site thus:
