Dear Twitch Broadcaster:

The content you streamed and archived on Twitch at [www.twitch.tv/ragezonetv/b/482142541](http://www.twitch.tv/ragezonetv/b/482142541) was the subject of a takedown notice we received from Zenimax Media pursuant to the Digital Millennium Copyright Act ("DMCA"). This organization has asserted that it owns this content and that you streamed that content on Twitch without permission to do so. As a result we have cleared the offending archives, highlights, and episodes from your account and given you a 24 hour restriction from broadcasting.

If you believe your content has been taken down in error, please so inform us. In order to comply with the DMCA, your counter-notification must include:

- (A) your physical or electronic signature;
- (B) an identification of the material that has been removed or to which access has been disabled and the location at which the material appeared before it was removed or access to it was disabled;
- (C) a statement under penalty of perjury that you have a good faith belief that the material was removed or disabled as a result of mistake or misidentification of the material to be removed or disabled;
- (D) your name, address, and telephone number; and
- (E) a statement that you consent to the jurisdiction of Federal District Court for the judicial district in which you reside, or if you live outside of the United States, for any judicial district in which Twitch may be found, and that you will accept service of process from the organization or an agent of the organization.

As stated in our Terms of Service, repeated incidents of copyright infringement will result in the deletion of your Twitch registration and prohibit you from streaming and archiving material on Twitch in the future. To prevent us from having to take these steps, please delete from Twitch any material you have streamed or uploaded and to which you do not own the necessary rights, and refrain from streaming or uploading additional material that infringes the copyrights of others. For more information about Twitch's copyright policy, please read the Terms of Service located at [http://www.twitch.tv/user/legal?page=terms\\_of\\_service](http://www.twitch.tv/user/legal?page=terms_of_service).

Sincerely,

Twitch Staff
