The following message was sent to you via the RaGEZONE - MMO development community Contact Us form by Alexey (mailto:[aandryukhin@megalabs.ru](mailto:aandryukhin@megalabs.ru)).

-----  
Hello!

>

> We found that in your forum posted theme for the dissemination of the pirated version Infestation: Survivor Stories.

>

> CJSC <MegaLabs> has an exclusive license for the dissemination of the Russian Federation and the CIS computer game <Infestation: Survivor Stories>, the copyright of which acts OP PRODUCTIONS LLC.

>

> In view of the above, we strongly advise to assist in removal of the theme: <http://forum.ragezone.com/f790/warz-source-code-923017/> site in connection with the unlawful actions for infringement of our rights the exclusive licensee of the game. If necessary, ready to provide additional documents and to assist in resolving this issue. Hope for further cooperation in the fight against illegal content.
